HACCP Certificate of Compliance

Channel Fish Processing FDA Registration#: 19991987188

January 1, 2020

Attention: HACCP Personnel

This document certifies that Channel Fish Processing Co., Inc., of Braintree, Massachusetts operates under the federally mandated HACCP regulations.

To identify the risks associated with all fresh and frozen products produced at Channel Fish Processing, a hazard analysis has been conducted. A HACCP plan has been implemented to control risks derived from the hazard analysis. Critical Control Points are continuously monitored throughout production. All products are produced according to CFP' s HACCP plan. CFP operates under Standard Sanitation Operating Procedures and Good Manufacturing Practices guidelines to ensure the wholesomeness of products produced.

Channel Fish Processing Inc., Co., produces in compliance of the Berry Amendment. Please include this document as part of your HACCP file.

A handwritten signature in black ink that reads "William Hurley".
